

Grading the speakers' teams

In order for everybody to decide which team was the best you need to consider the following and assign grades accordingly. Try to be as objective as possible in doing so!

Give a mark for each question from 1-5 with 5 being the highest mark

Reasoning

1. Were strong and persuasive arguments used?
2. Were the ideas well documented and developed?
3. Was there evidence of research?
4. Were sources used appropriately?

Communication

1. Was the speaker fluent?
2. Did he manage to articulate his position successfully?
3. Was grammar used correctly and the vocabulary range used wide enough and rich?
4. Was the presentation professional enough?

Individual contribution

1. Were all the team members engaged in the process?
2. Did they all contribute equally in the preparation?
3. Did the speaker of each group show leadership skills?
4. Were they team players?
