First of all, I would like to state/say...	Let me respond by underlining that....	I'd like to point out that.....	Here's the main point I want to raise...
As a final thought, we want to point out....	Our opponents claim that....but....	Issues that our opponent failed to address are....	I see your point but our position is.....
We disagree because...	Our position is the following....	I have to disagree with you because....	In contrast to what you said...
That's interesting but....	Let me recap the main points....	They say.....but.....	I'm afraid I can't quite agree with your point.
